

Never

Frank Pirrone

intro

GaddD
I never thought that I
F#7
Would ever feel this way,
Em7
If we should say goodbye
D/F#
And go two separate ways,
CMaj7
But I'm just sitting here
Bsus4
In some strange kind of daze
Am7 *G*
Trying to figure out why.

GaddD
I never knew that there
F#7
Was something going on,
Em7
That I would miss so much
D/F#
If we should move along,
CMaj7
But I'm just sitting here
Bsus4
Working on this pointless song
Am7 *G*
Trying to deal with that lie.

CaddD *D* *GaddD*
When did that ordinary feeling
CaddD *D* *GaddD*
Turn to something that I didn't see?
C#7b5 *F#7* *Bm7*
When did that stuff that I was dealing
Am7 *D7*
Come back and make a fool of me?
