

Last Call  
(drew Roberts)

You been roaming  
On the wrong side of town  
Some bad boy  
Gonna lay you down  
Looking up  
From underground  
It's your last call boy  
Won't be another round

Put your money up  
On the bar my friend  
It's the last call hey  
Let's not pretend  
You been roaming  
On the wrong side of town  
Some bad boy now  
Done put you down
